RFT2526-32	<p>Summer Music Series Program</p> <p>The Town of Port Hedland is seeking a suitably qualified and experienced Contractor to curate and deliver a Summer Music Series Place Activation Program.</p>	Town of Port Hedland	Town of Port Hedland	1 July 2026
RFT2526-33	<p>Road Maintenance - Grading of Unsealed Roads</p> <p>The Town of Port Hedland manages and maintains a network of thirteen (13) unsealed roads that provide essential access for residential, industrial, pastoral, remote area, and emergency service users. Due to heavy vehicle traffic and seasonal weather conditions, the roads require ongoing maintenance to address deterioration such as corrugations, rutting, and surface deformation.</p> <p>This contract covers the provision of routine and responsive grading services for nominated unsealed roads and three (3) firebreaks within the Town's jurisdiction. Works include grading and maintenance activities to restore road profiles, improve drainage, maintain safe access, and extend the operational life of the gravel road network. The services support safe, reliable, and efficient transport access for the community, industry, and emergency response operations.</p> <p>Approximately 119.3 km of the Town's unsealed road network at thirteen (13) locations, and 9.5 km of firebreaks at three (3) locations.</p>	Town of Port Hedland	Town of Port Hedland	1 July 2026
DTMI403826	<p>Provision of 24 Hour Security Monitoring, Maintenance of Equipment and the Management of Access Cards for DTMI Metropolitan and Regional Service Centres</p> <p>The Department of Transport and Major Infrastructure has a requirement for the provision of security services for Metropolitan and Regional Transport WA Service Centres.</p>	Pilbara	Department of Transport and Major Infrastructure	10 July 2026

<p>RFT 0000076</p>	<p>Supply and Laying of Concrete & Kerbing Services</p> <p>The City is seeking tenders from suitably qualified and competent contractors for the supply and laying of concrete and kerbing, together with all associated works.</p> <p>A copy of the tender documents must be obtained by registering your details via the City's Tenderlink website: www.tenderlink.com/karratha. Tenders can only be lodged electronically via the City's Tenderlink website.</p> <p>Non-Mandatory briefing is 10.00am (AWST) Wednesday, 24 June 2026.</p>	<p>City of Karratha</p>	<p>City of Karratha</p>	<p>13 July 2026</p>
<p>RFQ2526020</p>	<p>Annual Lift Servicing Town of Port Hedland</p> <p>The Town of Port Hedland is seeking the services of a qualified and experienced contractor for the routine inspection and servicing of five (5) commercial lifts located in our Port Hedland commercial buildings for a three (3) year period. Routine servicing to be completed 3 x per annum in line with the current schedule. All lifts are in good working order as the request for servicing will continue on from the current servicing schedule.</p>	<p>Town of Port Hedland</p>	<p>Town of Port Hedland</p>	<p>17 July 2026</p>

CURRENT OPEN OPPORTUNITIES				
Link to Tender Information	Details	Location	Organisation	Closing Date
DHW0093526	Department of Education - Dampier Primary School - Repairs to Rusted Column Bases	Dampier	Department of Housing and Works	23 June 2026
WACHS202514760	Provision of Palliative Care Support Packages The WA Country Health Service (WACHS) requires the provision of Palliative Care Support Packages (PCSP) for immediate home care services for community palliative care patients across regional Western Australia. These services typically include support with nursing care, personal care, domestic assistance, social support, respite, meals, access to transport and some equipment which is not funded by any other mechanism and assists with keeping patients at home or, in the case of Aboriginal people, on country.	Pilbara	WA Country Health Service	23 June 2026
WAPOL15825	Provision of Career Transition Services The Western Australia Police Force is seeking suitably qualified and experienced external providers to deliver a comprehensive support program for police officers who, due to illness or injury, are unable to continue their policing duties. Providers must demonstrate proven experience working with emergency services personnel, defence/military veterans, or other high-intensity occupational groups, and have the qualifications, cultural awareness, and confidentiality practices necessary to work effectively with current and former police officers. Services must be accessible across WA, with flexible delivery options (in-person and virtual) to accommodate shift work, remote postings, and mobility needs.	Pilbara	WA Police Force	23 June 2026
RFT 28-2025/26	Supply and Delivery of Accommodation Units The Principal invites Offers from suitably qualified and licenced Suppliers for the above Goods	Shire of East Pilbara	Shire of East Pilbara	23 June 2026
ED252304	Notebooks for Teachers End of Lease Recoveries	Pilbara	Department of Education	24 June 2026

<p>RFT26 2025/26</p>	<p>Trailers and Dollies</p> <p>The Principal invites Offers from suitably qualified and licensed Suppliers for the above Goods.</p>	<p>Shire of East Pilbara</p>	<p>Shire of East Pilbara</p>	<p>24 June 2026</p>
<p>WACHS202514897</p>	<p>Provision of Manual Tasks, Loads and Patient Handling Training Services</p> <p>WA Country Health Service (WACHS) requires experienced and qualified organisations to provide and deliver risk management based manual tasks, loads and patient handling training to WACHS employees and allied health staff at its health service sites located across all districts of Western Australia.</p> <p>The training will be delivered via a range of methods, including personal onsite training, classroom style training and online delivery. WACHS's intention is to engage a number of service providers in a panel arrangement to ensure training coverage across the whole of the State. The panel arrangement will be established where the service providers will be engaged via a 'pick and buy' on 'as required' basis.</p>	<p>Pilbara</p>	<p>WA Country Health Service</p>	<p>25 June 2026</p>
<p>RFT2526-34</p>	<p>Gilbert Street Port Hedland Flood Pump Station Upgrades</p> <p>The West End of Port Hedland frequently experiences flooding due to cyclonic storms and heavy rainfall. Floodwaters from Wilson Street and surrounding areas drain into a catchment adjacent to the existing pump station. As the West End sits below sea level, excess water must be mechanically pumped to Gilbert Street.</p> <p>The Town of Port Hedland seeks qualified contractors to:</p> <ul style="list-style-type: none"> • Repair, replace mechanical screens, steel sections, and structural members of the station • Install three (3) new flood pumps (including motors, pumps and components supplied by the Principal) along with discharge pipework and associated electrical works. <p>This project is part-funded by the Department of Fire and Emergency Services (DFES) and must be completed by 02 October 2026.</p>	<p>Town of Port Hedland</p>	<p>Town of Port Hedland</p>	<p>25 June 2026</p>

<p>TWDT06032026</p>	<p>Capstone Boards & Installation Testing Fault Boards for Electrical Licence Capstone Assessment and Training</p> <p>The Department of Training and Workforce Development (the Customer) is seeking the supply, delivery, installation, commissioning, warranty and training for up to sixteen (16) new Electrical Installation Training and Assessment Boards (Boards or the Goods) for North Regional TAFE (NRTAFE), Karratha and Pundulmurra Campuses.</p> <p>The Customer is seeking a ready-made, commercially available solution to support training and assessment under the UEE Electrotechnology Training Package. Solutions requiring new design or significant modification are out of scope. The solution must comply with AS/NZS 3000:2018 and must be suitable for the delivery and assessment of the specified units of competency. An <u>optional</u> 24-months Support and Maintenance period is also included in this Request. The Customer will choose at its absolute discretion whether to include Support and Maintenance as part of the Contract.</p>	<p>Pilbara</p>	<p>Department of Training and Workforce Development</p>	<p>26 June 2026</p>
<p>RFT2526-31</p>	<p>Cemetery Beach Ablutions</p> <p>The Town of Port Hedland is seeking a suitably qualified Contractor to demolish and dispose of two existing abluion blocks, and supply and install new double Universally Accessible Toilet (UAT) Modular Ablution Blocks at Cemetery Beach in Port Hedland.</p>	<p>Town of Port Hedland</p>	<p>Town of Port Hedland</p>	<p>26 June 2026</p>
<p>WACHS202616150</p>	<p>Request for Information (RFI) for Paging / Messaging System with Support and Maintenance</p> <p>WA Country Health Service (WACHS) is undertaking a project to explore a new paging / messaging system with support and maintenance.</p> <p>The objective of this Request for Information (RFI) is to develop a better understanding of the market environment and current options including estimated pricing available for the WACHS.</p>	<p>Pilbara</p>	<p>WA Country Health Service</p>	<p>30 June 2026</p>

<p>DoH202413697</p>	<p>Supporting Long Stay Patients to Respite Funding Program - Expansion</p> <p>The WA Government funded the Supporting Long Stay Patients to Respite Pilot to support residential aged care homes to provide temporary (respite) care for older patients who are waiting on administrative or other decision-making processes before moving to long term aged care.</p> <p>Following consultation with stakeholders, the WA Government is increasing its additional payments to residential aged care providers who provide short term respite care to eligible patients, while supporting those patients to transition to long term aged care.</p> <p>The new arrangements include specific and additional funding to aged care providers to support patients awaiting State Administrative Tribunal or Guardianship decisions ahead of moving to long term aged care.</p> <p>To be eligible for the Pilot service providers must be:</p> <ul style="list-style-type: none"> • an approved residential aged care provider under the Aged Care Act 1997 • an operational accredited residential aged care facility located in WA • have no sanctions issued by the Aged Care Quality and Safety Commission which restrict admissions to your facility. <p>This grant opportunity replaces the previous ‘Residential Respite Pilot – Supporting Long Stay Patients to Respite Funding Program’, which closed in July 2024. Individual grant agreements under the previous arrangement will cease upon execution of new grants.</p> <p>The grant is undertaken in accordance with the WA Department of Health Funding Agreement Terms and Conditions and service providers must agree to adhere to the requirements outlined in the Guidelines of Grant.</p> <p>Grant Opportunity Guidelines may be updated prior to grant agreement execution. Service providers will be advised of any change.</p>	<p>Pilbara</p>	<p>Department of Health</p>	<p>30 June 2026</p>
<p>RFT2526-20</p>	<p>Subdivision Construction Works</p> <p>The intent of this project will be to construct 7 small and medium-sized serviced lots which would cater for small and medium-sized businesses that may not require the larger lots that are currently available in Wedgefield,</p>	<p>Town of Port Hedland</p>	<p>Town of Port Hedland</p>	<p>1 July 2026</p>

	<p>which has recently expanded and released land in the Hedland Junction Estate. The civil road construction of the business estate has previously been completed which includes roads, footpaths, kerbing and asphalt works. The Town has received conditional subdivision approval (App No.162726) from WAPC for Stage 2.</p>			
MRWA022125	<p>Provision of Global Positioning Systems (GPS) based road network performance data</p>	Pilbara	Main Roads Western Australia	3 July 2026
RFT2526-25	<p>Hamilton Road Upgrade and Landscaping The Town is seeking a suitability qualified Contractor to deliver the construction of the Hamilton Road upgrade and associated landscaping. The Hamilton Road upgrade includes the construction of two roundabouts and the required road realignment to connect with the new roundabouts. This upgrade is designed to improve safety and facilitate the seamless movement of vehicles and reduce traffic congestion during peak times. These roundabouts and road upgrade will form part of the first stage in the South Hedland Integrated Sports Hub development. It needs to be noted that a high number of services are located within the roading corridor of Hamilton Road, and care will be required in working around these services.</p>	Town of Port Hedland	Town of Port Hedland	3 July 2026
DHW0742609122	<p>Yandeyarra Remote Community School - Supply and Install Shade Sails A site visit will be held at Yandeyarra Remote Community School, Marble Bar on 29 Jun, 2026 11:00 AM.</p>	Yandeyarra	Department of Housing and Works	8 July 2026
REC215829	<p>Port of Wyndham - First Point of Entry - Forward Earthworks The Kimberley Ports Authority (KPA) is responsible for the Ports of Derby, Yampi Sound and Wyndham and directly manages the Port of Broome (Port). The Port of Wyndham is located 105km to the northwest of Kununurra and has received First Point of Entry (FPOE) status, allowing it to handle direct international vessel arrivals for both cargo and cruise ships. The port is now undergoing infrastructure upgrades to support this expanded FPOE capability.</p>	Wyndham	Kimberley Ports Authority	10 July 2026

Government Tender Opportunities – Pilbara Region

22 June 2026

	KPA seeks a suitably experienced construction team to undertake Forward Earthworks to enable the site to be prepared for the main civil and building construction works to begin.

ETAWACHS202413116	<p>Panel Contract for the Supply of Audio Visual Equipment and Services</p> <p>WA Country Health Service (WACHS) requires a panel of suppliers to provide audio-visual (AV) products and services – including videoconferencing – principally to replace legacy assets at its telehealth sites progressively, but also to provide general purpose AV products and services for associated sites such as meeting and conference rooms.</p> <p>WACHS currently uses a large range of legacy devices, endpoints, configurations, and brands. It is anticipated that the new panel arrangement will not only meet the organisation’s “legacy” requirements in the short term, but also – as WACHS transitions from older to newer AV technologies – cater for the contemporary AV products and services that will appear in the market over the term of the contract.</p> <ul style="list-style-type: none"> The proposed panel will operate as a standing offer arrangement (Head Agreement) and orders (Customer Contracts) will made on an “as required” basis. The resulting WACHS panels will be made up of categories that cater for standalone AV equipment (endpoints), installation and configuration services, AV design and professional services, and ongoing support and maintenance. 	WA Country Health Service	22 June 2026
TWDV06162026	<p>Jobs and Skills WA Training Programs</p> <p>The VET (WA) Ministerial Corporation, through the Department of Training and Workforce Development, intends to issue a Request to establish a Panel Arrangement for the delivery of training services through private Registered Training Organisations.</p> <p>The scope is anticipated to include delivery of accredited training including:</p> <ul style="list-style-type: none"> Training aligned to specified training products; Training delivery models that incorporate significant direct student contact; and Learner assessment, completion and reporting. 	Department of Training and Workforce Development	24 June 2026
