26 May 2016

Ralph Addis  
Director General  
Department of Regional Development

[www.drd.wa.gov.au](http://www.drd.wa.gov.au)

# Regional Development

- Reform
- Portfolio Approach
- Strategy
  - Jobs
  - Economic Growth
  - Building Capacity
- Investment

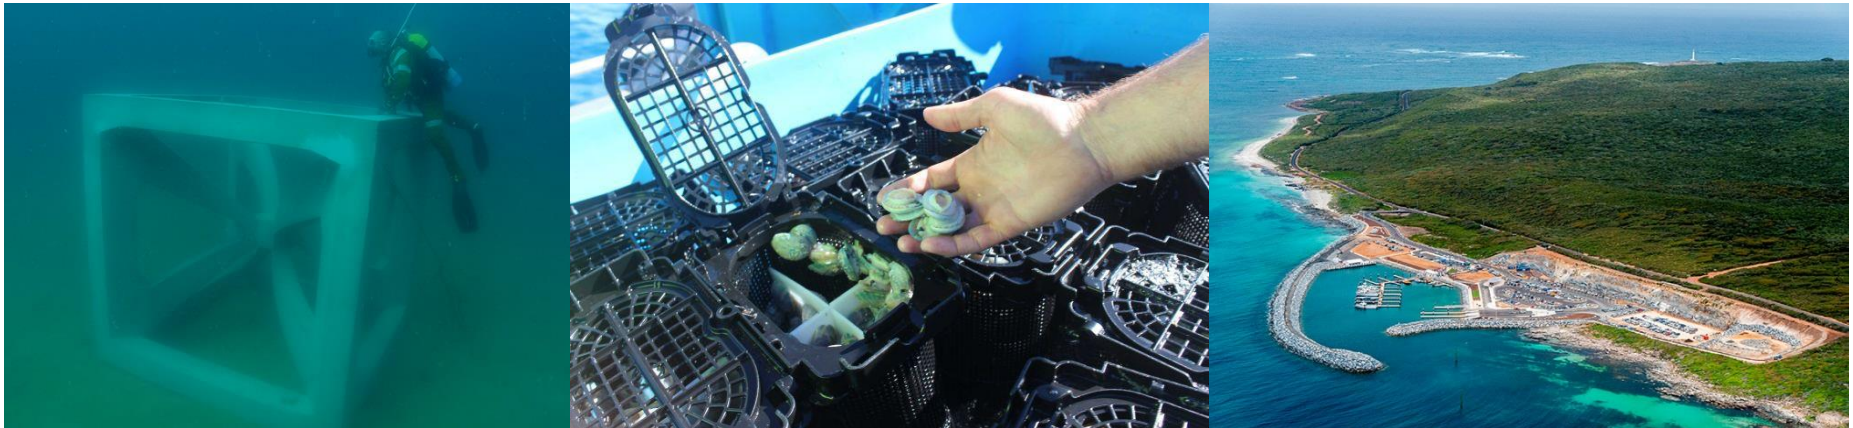

# Regional Investment Blueprints

- Blueprints are roadmaps for investment, and outline clear strategies for development
- Aquaculture is highlighted in the majority of the Blueprints

# Royalties for Regions (RfR)

- Has transformed Regional Western Australia
- Over \$6.9 billion across 3,700 projects
- Now seeking development opportunities

# Example - Ord-East Kimberley Expansion

- Government “de-risking”
- Government common-use infrastructure
- Private capital and capability

# WA Aquaculture – Regional Development Role

- Potential for Aquaculture in developing the regions?
- Potential for Regional Development in developing Aquaculture?

# Questions
